5	Examinations	168 hrs.	
6	Total	1932 hrs.	
7	Leave	4 wks.	
8	Gazetted holidays	2 wks.	

Basic Principles:

- ☞ Learning is not service: effective learning requires time in the classroom, time in clinical practice and study time.

- ☞ A student should not be requested to do more than 8 hours in any day (and preferably less). This can be an 8 hours clinical day, a classroom/study time day are combination of class, lab, study or clinical, not exceeding 8 hours per day.
